

Merit Solutions Partner Program

Partnering to Extend Your Customers Microsoft Dynamics Applications with Merit Solutions

For those firms that have an opportunity where involving Merit Solutions products would give a competitive advantage, Merit offers a referral fee, and will handle all tasks associated around the involvements of Merit Solutions products.

The Merit Solutions Strategic Partner level is a perfect fit for those firms who may not have a dedicated pre-sales resource that can become trained on the functionality and benefits of Merit Solutions products.

Strategic Partner Requirements:
> Fees: \$750 first year initiation, \$500 annual renewal

Merit Solutions Premier Partners enjoy a wide array of benefits by being closely associated with one of the leading developers of Manufacturing and Quality Management add-on applications for Microsoft Dynamics. As a Premier Partner, you will receive in-depth training on the Merit Solutions Manufacturing and Quality Management suite of applications, so you can be the expert on demonstrating and implementing these applications, allowing you to enjoy a larger margin on sale.

Premier Partner Requirements:
> Fees: \$2,500 first year initiation, then \$1,000 annual renewal after first full year.
> Receive advanced training on Merit Solutions products (cost of training tuition included in initiation fee) within first year of program membership.
> Produce one Marketing Event per year targeting your existing customer base
